WHEREAS, Owner is the owner of property described as:

\_\_\_\_\_

-------	---------	-------------------------

WHEREAS, this Agreement is required in order to assure the Association and the owners within the St. George Plantation that violations of Covenants and Design Guide by owners and contractors, and the construction and development of properties in ways that deviate from plans approved by the Association will not occur, or in the alternative, provide a remedy for same which may occur; and

WHEREAS, the execution of this Agreement is a condition of application for approval of construction on the property described above, as provided by the Covenants and Design Guide.

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, the parties agree as follows:

1. Owner shall provide and deliver to the Association the sum of \_\_\_\_\_ Dollars (\$\_\_\_\_\_) as a Performance Deposit for the [insert project name here] dated \_\_\_\_\_. The Performance Deposit shall be held in a non-interest bearing account in the name of the Association for the term of this Agreement.
2. The term of this Agreement shall expire on the earlier of three years from the date hereof or issuance of Written Notification of Compliance to the Owner in accordance with the Covenants. Construction must be commenced within twelve (12) months after final written ARC approval of the application and must be completed within eighteen (18) months after commencement of the project.

which may require that all or part of the initial Performance Deposit be withdrawn to remedy the violation(s). The full amount of the required Performance Deposit must be maintained with the Association at all times during the term of this Agreement. Failure of the Owner to deposit the required additional funds within ten (10) days after the request therefore will justify issuance by the ARC of a stop work order on the construction project.

5. Owner shall notify the ARC, in writing, when the construction project is complete and request an inspection of the property. Any amount of the Performance Deposit which is not used shall be returned to the Owner depositing same; provided, however, the Association shall deduct from said Performance Deposit prior to its return all monetary obligations due to the Association which remain unpaid at the time of such return.
6. The Performance Deposit, less deductions, if any, shall be returned to the Owner within thirty (30) days after the issuance of the Written Notification of Compliance by the ARC and presentation to the ARC of a copy of the Franklin County Certificate of Occupancy in the event of new construction, major addition or major renovation. Return of the Performance Deposit shall be made payable to the Owner depositing same. If, after a period of two years, reasonable efforts to contact the appropriate owner thereof having failed, the Performance Deposit shall be declared unreturnable by the ARC and such determination shall be immediately reported to the Board of Directors of the Association. Upon concurring determination by the Board of Directors that the Performance Deposit is unreturnable, it shall be transferred to the General Operating Funds of the St. George Plantation Owners' Association, Inc.
