Protective Covenants ("Covenants") and Design Guide of St. George Plantation Owners' Association, Inc. ("Design Guide"), as amended from time to time, to require financial assurance for construction projects in order to carry out this duty; and

WHEREAS, Owner is the owner of property described as:

_____ Lot # _____ Village _____ House # and Street Name

WHEREAS, this Agreement is required in order to assure the Association and the owners within the St. George Plantation that violations of Covenants and Design Guide by owners and contractors, and the construction and development of properties in ways that deviate from plans approved by the Association will not occur, or in the alternative, provide a remedy for same which may occur; and

WHEREAS, the Association will incur Consulting Review Architect (CRA) fees for the project, which fees may be paid in whole or in part from the Performance Deposit referenced herein; and

WHEREAS, the execution of this Agreement is a condition of application for approval of construction on the property described above, as provided by the Covenants and Design Guide.

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, the parties agree as follows:

1. Owner shall provide and deliver to the Association the sum of _____ Dollars (\$_____) as a Performance Deposit for the [_____] dated _____. The Performance Deposit shall be held in a non-interest-bearing account in the name of the Association for the term of this Agreement.
2. The term of this Agreement shall expire on the earlier of three years from the date hereof or issuance of Written Notification of Compliance to the Owner in accordance with the Covenants. Construction must be commenced within twelve (12) months after final written ARC approval of the application and must be completed within eighteen (18) months after commencement of the project.

PERFORMANCE DEPOSIT AGREEMENT**

- 4. Additional funds shall be required by the ARC to supplement the initial Performance Deposit upon the occurrence of a violation or violations by an Owner or those for whom he or she is responsible which may require that all or part of the initial Performance Deposit be withdrawn to remedy the violation(s) or when the payment of CRA fees or any other expenses of the Association related to the project causes the amount of the Performance Deposit to be less than the full amount set out in Paragraph 1 hereof. The full amount of the required Performance Deposit must be maintained with the Association at all times during the term of this Agreement. Failure of the Owner to deposit the required additional funds within ten (10) days after the request for same is made by the ARC will justify issuance by the ARC of a stop work order on the construction project.
- 5. Owner shall notify the ARC, in writing, when the construction project is complete and request an inspection of the property. Any amount of the Performance Deposit which is not used shall be returned to the Owner depositing same; provided, however, the Association shall deduct from said Performance Deposit prior to its return all monetary obligations due to the Association which remain unpaid at the time of such return.
