

APPLICATION FOR PROPERTY OWNER REVITALIZATION OF SCARRED RIGHT OF WAYS

Street Address	Lot #	Village
Owner Name:	Phone	Email

Briefly Describe the Proposed Revitalization (ie: types of plants, other features...)

List Contractors (if applicable)						
Name	St. Address	City	St	Zip	Phone	

The owner(s) have included the documents or photos listed below:

- 1. a site plan showing property boundaries and proposed location of ground coverings, pine straw and/or stone to be installed. No irrigation heads or lines are to be installed on right-of-ways. Proposed irrigation on owner's property must be noted on site plan;
- 2. a digital photo or hard copy photo of the right-of-way to be revitalized and digital photos or hard copy photos of all Right-of-Ways on the street;
- 3. assurances from water, cable and electrical utilities that the owner has confirmed the locations do not interfere with utilities ("call before digging"rule); and
- 4. a list of the type and quantity of material to be installed.

By signing below, I agree to the following terms:

- I, the property owner, accept full responsibility for maintaining the appearance and quality of the revitalization effort and accept full responsibility for damage of neighboring properties as a result of these landscaping efforts;
- I acknowledge that:
 - o SGPOA has no responsibility to maintain or repair of damage that occurs to the revitalized area;
 - SGPOA has no responsibility for damage to other persons or properties as a result of the voluntary owner revitalization of right of ways; and
 - SGPOA reserves the right to restore the area to previous condition if the area becomes unsightly or poorly maintained.
 - \circ Utility providers have no obligation to replace or repair damage that results from the performance of their duties.
