This map is designed to provide you with information to enhance your time in the Plantation. The Plantation is a gated community with approximately 1,200 acres, 905 single family home sites and 530 homes. Rental homes are administered by independent vacation agencies.

This map lists the amenities of the Plantation and notes their locations. Additional information on parks, recycling, jetty access and mail delivery within the Plantation is also listed. The rules and regulations adopted by the owners are enforced by 24-hour security.

Please note that the Plantation amenities are available for the exclusive use of the designated villages or specified houses that pay additional fees for amenities use. Please check with your rental agency or security if you have questions about your authorized access.

We hope you enjoy our community.
